From the August 2003 Newsletter

Membership Fees:

At the monthly meeting on July 15, 2003, the difficult decision to raise the dues from \$10.00 per year to \$20.00 year was made. After months of discussion and searching, it has become painfully obvious that because of increases in taxes and insurance, we have no option. We have agreed it is very important to maintain an open range;

So our members and families have a place to shoot,

So we have a place to instruct our young people and newcomers in archery and shooting sports,

So we have a place to offer safety and hunter safety courses,

So we have a local place to support our constitutional rights.

This increase in dues will become effective for 2004. The dues will be due on March 20th, 2004 for the term of March 2004 to March 2005.

The Dues for 2003 are still \$10.00 If you have not paid these dues yet, Please send your check payable to the Alfred Rod and Gun Club to:
